Ankara, June 24, 2025 – Representatives from partner organizations in Turkey, Denmark, and Lithuania gathered at **Ankara Bilim University, Maltepe Campus** for a powerful international conference as part of the **Equal Futures** project, funded by the European Union under the Erasmus+ programme.

The event was organized by **Kadın ve Genç Girişim Merkezi Derneği** (Woman and Young Entrepreneurship Centre Association), bringing together youth feminist activists, NGO representatives, and gender equality advocates to exchange ideas, share strategies, and strengthen cross-border collaboration.

The conference served as a key milestone in the project's mission to empower young feminist leaders and advance the rights of women and marginalized communities. Discussions focused on advocacy, leadership, and building solidarity across cultures.
